

Jumpstart Your Primary Care Career with the National Health Service Corps

Successfully Transition from Education to Training to Practice with the **STUDENTS TO SERVICE** Program

FROM MEDICAL EDUCATION

\$120,000
Tax-Free Award

This award helps with 45% of the average medical school debt.

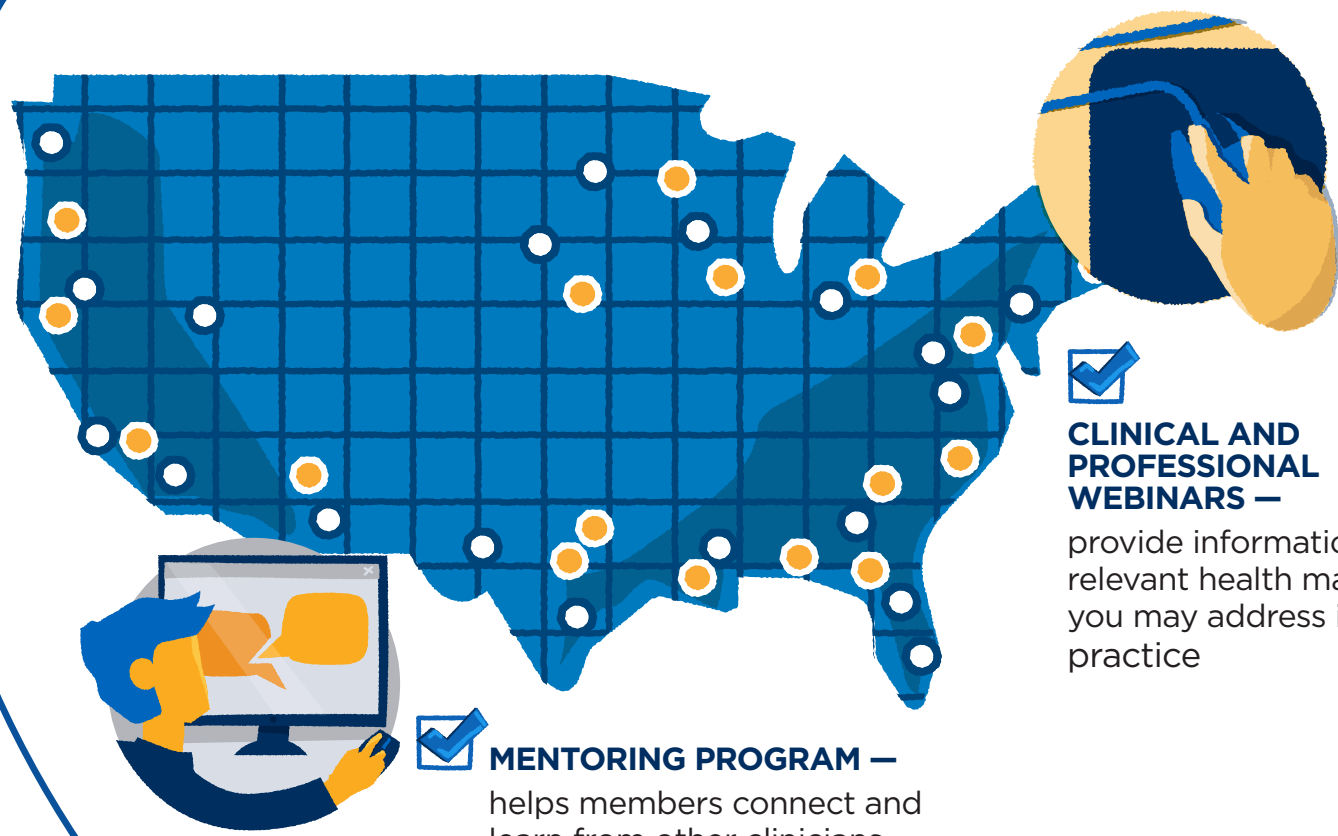

The NHSC Community

Once you receive an award, you will join a community of primary care providers who are passionate about helping those who need it most.

TO TRAINING

Nationwide Training Resources

In addition to loan repayment, the program provides trainings to ensure you are ready to enter practice.

TO PRACTICE

Students to Service helps you secure a job in an underserved community at one of the 15,000 NHSC sites across the country.

- ☒ Virtual Job Fairs help you find the right site
- ☒ Financial support provided for nationwide job interviews and one time relocation

And with continued service, you can pay off your loans!
